

JDC Construction is Expanding Our Service Line

with the introduction of HVAC Cleaning and Repair

Roofing
Siding
Soffit & Fascia
Gutters
Windows
Decks
Garages

JDC has built its reputation of excellent service at a fair price in the area of home repair—with expertise in the following lines:

Roofing - Siding - Soffit and Fascia - Gutters - Windows - Decks - Garages

JDC feels that the HVAC Cleaning and Repair line will complement our ability to service the homeowner even further.

To celebrate the new line, JDC is offering an
Introductory Furnace Cleaning Special
to homeowners in the twin cities area.

To make sure your heating unit is operating efficiently and ready for the winter months, we are offering a pre-season check of your home's furnace.

This includes cleaning of evaporator coils, inspecting and cleaning the entire burner compartment, and testing unit operation.

This will help ensure that your furnace will work efficiently when needed.

only **\$32.49**

This introductory offer is good until October 1, 2008.

**Call Brandyn at (612) 432-3386
to schedule your pre-season check.**
